Personal Profile

I'm a highly personable adult with demonstrated strengths of academic achievement, and a proven ability to work well in either a team or alone. I have experience working in a variety of environments, both indoors and outdoors, which has exhibited my strong work ethic, and an ability to adapt to new work places. I love travelling and learning about people, different cultures and the natural world. I have a strong sense of adventure and enjoy trying new things. I have a deep appreciation and good knowledge of the natural world. I have experience in various outdoor roles from regenerating bushland to building walking tracks and boardwalks.

Demonstrated strengths

- Capability to work in both a team and individual environment with or without supervision.
- Great communication skills dealing with colleagues, customers and all levels of management.
- Physically fit, hard working and able to stay focused.
- Proven to take initiative and learn new tasks with relative ease.
- Working outdoors and in various weather conditions
- Working with and around various types of machinery

Skills and Experience

- General Bush track construction and maintenance skills, including concreting, footings and retaining wall construction.
- Identification of native plants and invasive weeds in the Sydney region
- Various weeding techniques, e.g. hand pull/dig, crown cut, stem scrape, cut and paint, and knapsack spraying.
- Planting and transplanting.
- Use of various construction and gardening tools.
- Working around machinery.
- Experienced bar attendant, bistro attendant, tray service, till operator, cash handler, serving meals, clearing tables, poker machine attendant, change bar attendant, Keno and TAB operator and experienced at preparing for functions.
- Ability to operate in a culturally diverse and changing environment.
- Strong work ethic and a loyal employee.
- Logically minded with aptitude for problem solving.
- Cleaning, maintaining and sanitizing equipment and workspace.
- Working with chemicals.
- Following WHS procedures and undertaking risk assessments.
- Working with and around food and carrying out safety and hygienic requirements.
- Polite and professional customer service.
- Training new staff
